

Walking in Gods Way: The Way of Blessings (Bible Study Series) (Volume 5)

This book identifies that Gods ways are different from mans ways mentioned above. That God has HIS way of giving a Christian victory, his own way of prosperity, his own ways of salvation, and his ways of walking in righteousness. The worlds ways are counterfeit to Gods ways; they are Imitations and not the real thing. That is why a Christian needs instructions on walking in Gods ways and indeed needs to be able to identify Gods ways. Choosing Gods ways, leads to life, and peace choosing the other ways leads to death and corruption. Are you following the flesh, and the way that seems right to men?, on the other Hand are you following the ways of your fathers? , or are you following the ways of the world?. I will advise you as you read this book to make a choice to follow Gods ways, so you can reap life and peace.
