

## Playing with Dynamite (Mills & Boon M&B)

As a demolition expert, Brick Pendleton is used to being in complete control. So hes shaken when his lover extinguishes their explosive affair before hes ready to say goodbye. Hes never felt about any woman the way he feels about Lisa Ransom, but that doesnt mean he can give her what she wants most of all: marriage and family. Lisa knew from the start that Brick wasnt looking for a wife, but couldnt stop herself from falling for him anyway. Though the last nine months have been the most passionate of her life, she cant stay in a relationship thats going nowhere. And since the one man she wants isnt interested in committing, Lisa sets out to find a man who is. Brick cant stand the thought of Lisa in another mans arms, and does everything in his power to tempt her back into his. But if hes going to hold on to the only woman hell ever love, hes going to have to face up to his fears of forever.
