

## Cities and Cemeteries of Etruria (Princeton Legacy Library)

The best overall description of the remains and the topography of Etruscan sites. It conveys the fascination of a British travelers path-breaking exploration of the sites in central Italy in the early 1840s and the obstacles he overcame to reach them. Originally published in 1985. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
