

Heart of Texas, Volume 2: Carolines Child and Dr. Texas

Welcome to the town of Promise, deep in the heart of Texas! Promise, a ranching community in the Hill Country, is a place with a mysterious past and a secret or two hidden under its everyday exterior. Its also a place where family and friendship are the things that really matter. Carolines Child Whos the father of Carolines child? Everyone in town wants to know, but no ones ever asked? or ever will. The people of Promise are protective of Caroline Daniels and five-year-old Maggie. They care. Especially rancher Grady Weston, whos beginning to realize he more than cares. Dr. Texas They call her Dr. Texas. Shes Jane Dickinson, a newly graduated physician from California whos working at the Promise clinic? but just for a couple of years. They call him Mr. Grouch. Cal Patterson was left at the altar by his out-of-state fiancée, and hes not over it yet. Too bad Jane reminds him so much of the woman hes trying to forget! Macomber puts a new twist on the small-town romance. ?Publishers Weekly
