

Romance: Secret Baby Romance: Julias Daddy (Best Friends Brother Pregnancy Alpha Male Romance) (Sports Athlete Romance)

A secret romance four years ago had unexpected consequences for Valerie North. Now a young mother still living in her hometown, her life revolves around her daughter and the small newspaper where she's honing her writing skills. When her brother comes home for a visit, she's ecstatic until she finds out who is with him—Justin Brown, the green-eyed boy she never thought she'd see again. Except on TV, of course. The feelings she had for him still run deep, but her fears run much deeper. Justin has a promising career in the NHL and a lifetime of opportunity ahead of him. So why does he feel so empty? A trip back to his hometown presents an opportunity to relax away from the ice and possibly to reconnect with an old flame. But why is she so determined to avoid him? What secret is Valerie North hiding? **WARNING:** This book contains mature themes and language and is intended for readers 18 years of age and older.
