

Keeping up with Hollywood

Samantha McAfee is at a crossroads in life. As a recent college graduate her parents send her and a friend on vacation to California. She never thought that those two weeks would change her life. After meeting Joe Mattison, an up-and-coming young actor, Samantha is convinced that she's fallen in love. It doesn't take long before she decides to move out of her parents' home in New York and start a new life in Los Angeles. After landing a great job and finding the perfect apartment, it seems like she finally has the life she always wanted. That is until she runs into troubled former child actor Chris Adams, or better known as the boy-your-father-warned-you-about. Samantha needs to make some mistakes in order to figure out that sometimes what you want in life is not always what you need.
