

Out of Body (A Court of Angels Novel)

Born of an ancient family of clairvoyants, Marley Millet finds that her psychic gift is both unsettling and incredibly dangerous. She never wants to travel again--but the choice is not hers to make. After glimpsing the fates of two missing New Orleans jazz singers, Marley knows she has no choice and must speak up before more women disappear. Flinty cop-turned-writer Gray Fisher, who interviewed both chanteuses before they vanished, takes a special interest in Marley's incredible story--and in Marley. Scouring the wild clubs of the French Quarter, Marley and Gray make an unlikely and uneasy team. But their determination is matched only by the heat between them...and the evil they have uncovered.
