

The Homeless Entrepreneur: How to Start a Business When You're Homeless, Poor or Just Plain Broke (How to Be Homeless) (Volume 1)

If you're homeless you don't have to get a job - you can start a business and make twice what most jobs pay you. It's not a get-rich-quick scheme. It will take work, but millions have done it. This book gives you the basic steps, resources, and inspiration you need to start a business. It's packed with information anyone can use, but it's targeted to those with little to no money. The author was homeless for more than a year and used many of these suggestions to make/earn money herself, so she knows they work. Instead of giving the homeless money, hand them a copy of this book and \$5 seed money. Step back and see what happens.
