

Church Singles Ministries: All singles were not created equal... (Amazingly Single-The Series Book 2)

Church Singles Ministries: All singles were not created equal... is the second book in Amazingly Single-The Series. Each book in the series highlights different areas of ministry for single women. In this volume, the author identifies the eight categories of singles; i.e. single-never married, single-divorced, single-widowed, etc. Since there are so many categories of singles, it became apparent that all singles should not be lumped together in one singles group and offered ministry. Matthew 5:16 Let your light so shine before men, that they may see your good works and glorify your Father which is in heaven. Although our lights are single in flame because we are not married, that does not mean our lights should be overlooked. Singles have a place in ministry too; therefore more attention should be given to all singles from the different categories and the singles ministries instead of them both being viewed as afterthoughts. It should not matter if a woman is single by choice or divorce, due to an unfortunate loss or because of the cost. About the authoress: Tamara L. Smith is completely dedicated to God and the service of ministry. Ministry is very important to her and she believes it should meet all individuals needs regardless of their marital status. While completing volume 1 in this series, God revealed to her there are multiple categories of single individuals. This volume deals with single women and ministry, singles categories, church singles ministry leadership, and singles ministry activities and events. She is very passionate about ministry and she believes each persons life has a God ordained purpose. Tamara has a BBA in Finance, an MBA and she is currently pursuing a PhD in Organization and Management.
