

An Outline of the Public Life and Services of Thomas of Bayard: Senator of From the State of Delaware, 1869-1880 (Classic Reprint)

Excerpt from An Outline of the Public Life and Services of Thomas of Bayard: Senator of From the State of Delaware, 1869-1880

The family to which Mr. Bayard belongs is a numerous one, and its members are widely distributed in both the Old World and the New. Those who take an interest in antiquarian investigations have traced back its origin to the province of Dauphine, now the department of the Isere, in the southeast of France, where, about six leagues from Grenoble, the ruins of the Chateau Bayard, crowning a hill which commands one of the noblest prospects in that romantic region, mark what is regarded as the cradle of the race. From the earliest times the Bayards were distinguished for courage in war and fidelity to their sovereign. A Seigneur de Bayard, the head of the house, was slain at the battle of Poitiers in the vain attempt to prevent the capture of King John the Good by the English. His son fell in combat with the same enemy at Azincourt, and his grandson at Montlhery. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
