

Your Life in Christ (Victory Series Book #6): Walk in Freedom by Faith: Volume 6

Discover Gods Will and Step Out in Faith Gods guidance comes when we are actively doing His will. We may not know in advance where God is leading us, but we will never get there if we are not actively under way. In Your Life in Christ, Dr. Neil Anderson shows you how to walk in freedom by faith, according to Gods will. In this sixth of eight Victory Series studies, you will discover how to discern Gods will and assess whether you are walking in faith according to Gods Word. You will learn biblical principles of leadership and how to disciple others and help them find true freedom in Christ from a biblical worldview perspective. This study, with six sessions, can be used individually or in a group, and includes a leaders guide, along with illustrations and questions for deeper reflection and practical applications. God has a place of ministry for you. The only way to be fulfilled in life is to discover your own potential and uniqueness in Christ and become that to the glory of God.
