

## The Exiled Princess (Saving the Royalty in London)

An Indian princess relocates to London to live a working class life, enter the world of fashion and gain her royal status back. A brown girl with an Indian accent lives in a society that is still divided into the upper and lower class. Her royal upbringing makes her unfit and unhappy in her working class life in London and she struggles to gain acceptance in the posh society. A society she was once a part of and wants to earn her place back into.
