

## A Daddy for Her Sons (The Single Mom Diaries)

Babies for the bachelor! When playboy Connor McNair watched his best friend marry Jill Darling, he never expected a second chance with the girl who got away. Now she's a single mother, and he's back to persuade her to give up her pastry company. It's just business until Jill's sweet smile makes him question his loyalties and his feelings about a picket-fence lifestyle. Falling for Jill's adorable twin babies and her kisses, which are even more delicious than her cakes, has Connor thinking about fatherhood and forever. But that's against all the rules.
