

## Until He Comes

What will Heaven be like and how can you get there? *Until He Comes* lays out the Christian worldview for understanding why a faith in Jesus Christ is important not only for living out your life on earth but also for obtaining citizenship in Heaven as well. The author lays out how a relationship with the Trinity (Father, Son and Holy Spirit) is necessary for living a fully redeemed life but also on how the Christian spiritual journey should impact the world around you.
