

## Trump, Clinton, and What Every Veteran Should Know About Our Future President

For a short time only get this book for just \$2.99 when its regularly priced at \$4.99. Read it on your PC, Mac, smart phone, tablet or Kindle device. There is not a single place, where you can find concise information about the 2016 presidential candidates plans for issues concerning veterans. For this reason, I decided to write this short book and give you a comprehensive understanding of the stance nominees are taking on veterans. Written by a History Ph.D. specializing in Veterans image and studying at the University of California, Berkeley, you will get world class writing and learn answers to... When it comes to veteran issues, what can we really expect from the two candidates at our incoming presidential elections and their respective political parties? What did they say and what does it really mean? Where do they stand in regards to Veteran Affairs, in terms of money, health, and education? How will they deal with the current problems veterans are facing? Download your copy now!
